

Heterosis In Plant Breeding: Proceedings Of The Seventh Congress Of EUCAEPIA

Andor Janossy; F. G. H Lupton ; Eucarpia

This content downloaded from 66.249.69.10 on Tue, 17 Nov - jstor Heterosis in plant breeding - Proceedings of the seventh Congress of EUCARPIA · A. Janossy, F.G.H. Lupton, Wageningen (Netherlands) European Association Heterosis in Plant Breeding Proceedings of the Seventh Congress of . Eucarpia. Congress - OCLC Classify -- an Experimental Scandinavian plant breeding ??????????OPAC Heterosis in plant breeding proceedings of the seventh congress of EUCARPIA, The European Association for Research in Plant Breeding, Budapest, 24-29 . Genetic Basis of Heterosis for Growth-Related Traits in Arabidopsis . Título en inglés:: Heterosis in plant breeding - Proceedings of the seventh Congress of EUCARPIA. Autores: Janossy, A. ; Lupton, F.G.H.. Idiomas: English. Eucarpia books : ISBNPlus - Free and Open Source ISBN Database Heterosis in plant breeding : proceedings of the seventh congress of EUCARPIA, the European Association for Research in Plant Breeding, Budapest, 24-29 . Heterosis in plant breeding (Proceedings of the VII Congress of . ????????: ??; ????????: SCANDINAVIAN PLANT BREEDING; ?????: . the Organizing Committee for the Eucarpia Congress, 1965 ; [by] Erik ?kerberg . 7 ?? Heterosis in plant breeding : proceedings of the Seventh Congress of Heterosis in plant breeding : proceedings of the Seventh Congress of Eucarpia, the European Association for Research in Plant Breeding ., Budapest, 24-29 Eucarpia Biometrics in Plant Breeding Meeting Compare Discount . Published: (1981); Heterosis in plant breeding : proceedings of the seventh congress of EUCARPIA, The European Association for Research in Plant Breeding, Budapest, . Congress 1974 : Budapest) The theory of plant breeding / O. Mayo. HETEROSIS FOR YIELD RELATED ATTRIBUTES IN MUNGBEAN . Heterosis in Plant Breeding: Proceedings of the Seventh Congress of EUCARPIA, The European Association for Research in Plant Breeding, Budapest, 24-29 . Brassica - Google Books Result Heterosis in plant breeding : proceedings of the seventh congress of EUCARPIA, the European Association for Research in Plant Breeding, Budapest, 24-29 . Heterosis and Hybrid Cultivars in Onions - Springer CONGRESS OF EUCARPIA, 7., Budapest, 1974 - OCLC Classify Heterosis In Plant Breeding: Proceedings Of The. Seventh Congress Of EUCAEPIA by Andor Janossy; F. G. H Lupton ; Eucarpia. Understanding of Heterosis Heterosis in plant breeding : proceedings of the seventh congress of EUCARPIA, the European Association for Research in Plant Breeding, Budapest, 24-29 . Heterosis in plant breeding: Proceedings of the seventh congress of . The last ?fty years have seen the development of methods for breeding F1 . In a review of heterosis in vegetable crops crop production may be dif?cult to quantify. Proceedings of the 7th Congress of Eucarpia, Budapest 1974, 197-208. The theory of plant breeding - HathiTrust Digital Library 10 results . Author/Editor(s): EUCARPIA Congress on Adaptation in Plant Breeding Heterosis In Plant Breeding: Proceedings Of The Seventh Congress Of ?Understanding of Heterosis - KSÜ Fen ve Mühendislik Dergisi made in understanding the genetic basis of heterosis, there is relatively little . in mind, plant and animal breeders have capitalized on this occurrence to make maize breeding programs over the last century (Hallauer and Miranda, 1981). .. Proceedings of the Seventh Congress of Eucarpia, Elsevier Sci., Amsterdam. Heterosis In Plant Breeding: Proceedings Of The Seventh Congress . Heterosis in plant breeding: Proceedings of the seventh congress of EUCARPIA, The European Association for Research in Plant Breeding, Budapest, 24-29 .
